

**THE WHITE HOUSE**

WASHINGTON

June 18, 1945

You are invited to attend a meeting of greatest importance regarding national security.

Date: August 1, 1945

Time: 1:00 p.m.

Special Instructions: You will play the role of one of the key players discussed in yesterday's class. Your role will be one of the people in the document your group analyzed (see handouts at your table). You have the next five minutes to write a few notes regarding the types of arguments or recommendations this person is likely to make regarding the use of the atomic bomb. After you have finished your notes, please stand behind your chair.
